## Preface

I am immensely happy to present this poetry book before the lovers of English poetry. The poems in this book are born from a group of poets belonging to a family of writers named **Guild of Indian English Writers, Editors and Critics (GIEWEC)**. GIEWEC, registered in 2010, is a non-profit-making institution aimed at promoting Indian English literature through the members' creative and critical writings and by editing and publishing books and journals. It has a biannual refereed research journal of English language and literature, titled *Writers Editors Critics* (WEC) published in March and September. Besides, the guild conducts annual literary festivals in various cities of India in collaboration with universities and colleges. GIEWEC has nearly a hundred patron members at present, consisting of professional writers, university/college/school teachers, research scholars, editors, publishers etc.

This anthology is dedicated to late Prof. T. V. Reddy who was the President of GIEWEC from 2012 to 2020. He departed us immersing us in the ocean of grief on 26<sup>th</sup> August 2020 at the age of 73. He was the best poet of our GIEWEC family.

There are 107 poems of 39 poets in this book. The poets range from retired IAS officers, former Vice Chancellors, professional writers to teachers from universities, colleges and schools.

Before winding up the preface let me express our deep gratitude to our own founder member Shri Sudarhsan Kcherry and his Authorspress, New Delhi for printing and publishing the book in the most beautiful appearance.

Wishing all readers an enlightening reading,

**K. V. Dominic**

**Editor and Secretary, GIEWEC**
